I met a famous person in L.A.! 🤯😄

Yesterday in the morning I walked on the Walk of Fame. I searched the star of Vin Diesel. ✨ Suddenly I saw the famous gamer Lester. He was driving in his Ford Mustang. 🚗 I was brave and ran to his car. 🏃 I knocked on his car window. But he ignored me... I was sad. 😞

Then I went to an ice cream shop. 🍦 When I turned around I saw Lester behind me. I said: „Hey I was the person that knocked on your car window.“ He said: „Oh ok, you were this strange person I was scared of. Now I can see that you are a nice person. Sorry man.“ 🤝 I apologized to him and bought him an ice cream. 👍

At the end of our meeting I told Lester that I am a big fan! He was very nice. We took a picture together. 📸 That was the best day of my life. 😍

Ben at Lake Tahoe

Crazy Adventure at Lake Tahoe

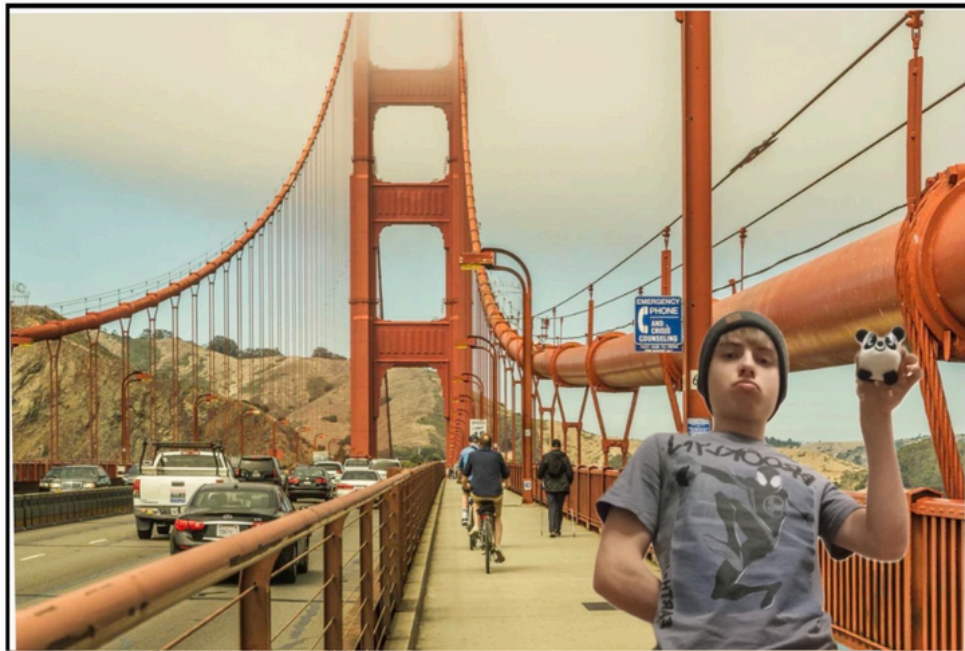

Hey guys, my name is Ben! Let me tell you about my special day at Lake Tahoe in December. 😊 You won't believe what happened!

I was skiing at Lake Tahoe with Deniz and Daniel. 🏂🏂 We rode down the mountain. Suddenly I hit a wolf! 🐺 I stopped and saw that his paw was hurt. I put him on my skis and helped him. 😭😭

Down in the valley I drove the wolf to the vet. I took care of the wolf for 3 days. 😞 After these days I took the wolf back to the forest. But the wolf didn't want to go, because he liked me... So I shot in the air and the wolf disappeared 🗡️💥 I had to do it!

Write in the comments what you would do at Lake Tahoe in winter? 😊

♡💬📍 # Golden Gate bridge #romance #happy end

Hey guys, you won't believe what happened today on my vacation in CA. Today I met a person that changed my life!! 🥰

Today I went to the Golden Gate Bridge. Suddenly I saw a young beautiful girl. She stood on the bridge railing. At first, I was frozen in shock. Is she going to jump off the bridge? I had to help her! I ran to her and screamed: "DON'T JUMP!" 🤯👋

She saw me and walked away. I said: "Why are you doing that?" She stopped and said to me: "My life no longer makes sense!". But I said: "All lifes make sense and mostly yours! Don't jump please!" 😊 She cried and hugged me and said : „I'm scared. Can I come with you?" I said to her: " Yes you can come with me, let's go for a walk" 👫

Later that day we walked in the Golden Gate Park and we were driving with the cable cars up the hill. She kissed me at sunset. 🥰🌅 We spent my whole holiday together. On the last day of my vacation she asked me: „Do you want to live with me?" I said: „YES!" It was the best holiday ever. 🥰👫

Mehmet in Death Valley

A horrible day in Death Valley

Hey guys! Let me tell you about my trip to Death Valley. You won't believe what happened to me and Sedin. 😞

A month ago, in June I was with Sedin in California. The first day we visited Death Valley, a huge desert. 🌵☀️. I wanted to play hide and seek. So I counted and Sedin ran away. I was looking for him for twenty minutes. 😞🕒

Finally I found him. He was hurt and bleeding. 🩸 He couldn't walk anymore. He was falling over a stone. He broke his leg. 😞🦵 I had to call an ambulance. 🚑📞 But my battery was empty! Fortunately I met a man. He called 911. 🙌 We were taken to the hospital by helicopter. I was a bit scared. But then I loved the view. 🏠🚁

At the hospital I brought Sedin a hamburger and he felt better. 🍔😄 He was given a cool plaster cast. I will never forget this stressful day. Have you ever been to the hospital? Please leave a comment.

Deniz at Lake Tahoe

Dear friends and followers, today I'm going to tell you about my adventure at Lake Tahoe ✨.

It was in Winter, I was in the car with my three friends on the way to Lake Tahoe. Suddenly it started to snow and we could see less and less... ❄️ But we were brave and drove on 🦵. But somehow I lost control of the car. The car was traveling back and forth and we were heading towards the middle of the lake. I couldn't stop! The car started to sink in...

We were really scared, but we managed to jump out of the window and the car sank completely in front of our eyes. 🤯 We were completely shocked, but luckily we were able to get help quickly. 🍀 There was a hotel nearby. They called the fire brigade who pulled our car out. 🚒 What a shock!

Have you ever had an accident? Let me know in the comments 💬.

Romance with Lulu and Lukas in L.A. 🤖

Hey guy 😊 You won't believe what happened to me in Los Angeles! It was the most romantic day of my life! :D

I travelled to Los Angeles for the wedding of my best friend Lulu and my classmate LUKAS! 🤖 On the first day I went shopping in a big fancy shopping center in Hollywood with Lulu. We found a beautiful pink sparkling flower dress.

The next morning we dressed up Lulu for the wedding. And Lulu and Lukas finally said „YES!“ I was so happy for my friends. 😊

After the ceremony it was time for the wedding cake. But something bad happened. The cake fell on the floor! But that incident didn't stop the good mood because Lulu and Lukas released the doves of peace. That looked so beautiful with the sunset! So the wedding became the most beautiful day ever.

Tugra at Yosemite National Park

A Dangerous Trip to Yosemite Park

Hello guys, you will not believe what happened today. I drove with Can to Yosemite National Park. We wanted to see the beautiful forest with the huge trees. On the way there suddenly were grizzly bears in front of the road. They were really big with sharp teeth 🤢 and claws. I was really scared. They came closer and they looked trough the window. OMG! 🤯

Than I had an idea! I still had a delicious burger. I decided to lure the bears away and threw the burger in the bush next to our car. It worked!! 🙌 They went off the street and we were able to drive away.

In the afternoon Can and I went to a burger store, because we were hungry and bought us a new burger! 🍔 We booked a hotel and told our exciting story to the other tourists.

Have you ever met a grizzly bear or a wild animal? Please leave a comment.

Laso in Los Angeles

The L.A. Fire

Hello my followers! Well today I am going to be talking about something a little more serious than usual. 😓 I am going to be talking about the fire in LA! 🔥

In January 2025 in South California there was a fire combined with a strong wind that caused massive damage. 💥 30.000 people already had to leave their home and 2100 homes have been destroyed. Although 1400 firemen tried to help with the situation, the fire still continues... 🚒

If you ask me I think this is really sad for all those who lost their homes. 😭 I donated some money and brought blankets to the people at night. ❤️

The next day I read a news article about a man running in his burning building to steal a Playstation 5. 🎮 What a crazy man!! So I had to find him and eventually I did. I met him at the Hollywood sign and recognized his face. I talked to him and he invited me to his hotel room, where he found rescue. Then we decided to play Playstation together. 🙌

At the end it was a good ending to a sad day and I have a new Playstation buddy. If you're able to please donate some money to the cause. 💰

Did you ever something see such a tragedy?

Sipan at Disneyland in Anaheim, CA

Hey guys, I want to tell you about my day at Disneyland! Something bad and something good 🤔

I went on a roller coaster with Nicole. The roller coaster is called the Incredible Coaster and it was really fast. But I wasn't scared. Suddenly the roller coaster stopped. We were high above the ground and then I got scared. 🎢😞

20 minutes later the fire department came and rescued us. We were really glad to be back on the ground. 🚒🚒🚒🚒 We hugged each other. That was a shock. After that, I just wanted to go home. An employee from Disneyland came to us. He gave us an invitation and apologized. Because of the roller coaster accident, we were invited to dinner at Disney Castle. The food was like a five-star restaurant. 🍷🍷🍷🍷🍷

Do you like roller coasters? Please comment, what you think about them. Have you ever been so scared? 📄

Daniel at Lake Tahoe

Hello guys, you will not believe what happened today at Lake Tahoe!

In the morning I was on a boat with Ben and Deniz. That was awesome. We were driving really fast. Suddenly we crashed into a beaver lodge. 🤔 We stopped and checked on the beavers. They were hurt. We felt sorry and we took the beavers to the veterinarian. We drove to the shore and ran to our car.

At the veterinarian the beavers got help and a big bandage. 🩹 We gave them some food. The doctor told us to take care of the beavers for three days. At home we built a cozy home nest for the beavers. It was fantastic! 😄

The next day I woke up and saw that one beaver is missing. I went to the car and searched in the neighborhood. Then I saw the beaver in the pond of my neighbour. 🌿 The beaver caught some fish. I felt sorry for the fish. But I was happy that the beaver is okay. 😊 In the evening we took the beavers back to Lake Tahoe. I was happy for the beavers.

Have you ever seen a beaver in real life?

Sedin in Death Valley

Good Luck and Bad Luck in Death Valley

Hey guys, let me tell you about my trip to Death Valley in September! You will never guess what we found!

On my vacation in California I went to Death Valley with Mehmet. 🇺🇸😍 That is a big desert with wild animals🐾. Moreover there are ghost towns with abandoned houses. It was very scary!!!👻

Mehmet and I took a closer look at the ghost town.😬 We found an old house and went in😬. It was very dark and smelled very bad.😬 Suddenly we saw something shiny under a stone and it was gold.😬 We took the gold and sold it to a random guy. He gave us a lot of money. With the money we bought a cool truck!!😍

We drove with the truck through Death Valley. Later that day we saw an animal that looked special. We came closer and it was a koyote. It was sleeping😬 Suddenly it woke up and was angry. We ran away. The koyote was so fast that it almost caught us.🐾😬 But we made it to the truck. What a relief!😬 We drove around in Death Valley and went back home with an exciting story!

Tell me what you would have done with a koyote? 🐾
